

fe_assemble_mass

```
graph LR; A[fe_assemble_mass] --> B[fe_find_index]
```

A diagram showing a directed relationship between two nodes. The node on the left is labeled 'fe_assemble_mass' and has a light gray fill. The node on the right is labeled 'fe_find_index' and has a white fill. A dark blue arrow points from the right side of the 'fe_assemble_mass' node to the left side of the 'fe_find_index' node.

fe_find_index
